

Zac Stanley

Web Developer+Designer

Specialty in **Front-End Web Development**

Responsive | Adaptive Design

Digital | Physical Asset Creation

BA: Computer Science | Studio Art • 2010-14

Transylvania University • Lexington, KY 40508

Semester Study Abroad in Florence, Italy • Double Major

Course focus in Computer Graphics, Graphic Design, Photography,
UX, & Physical Media.

Website Manager • 2016 - 2018

Stockwell & Smedley • Lexington, KY 40503 • (859) 223-3400

Managed the online identity of well-known local businesses.
Regular site maintenance, meeting the needs of each store,
creating custom photo/digital assets, & custom scripting to
sync inventory between e-commerce platform and an old POS.

Manager & Computer Technician • 2015-2016

Device Pitstop • Lexington, KY 40503 • (859) 685-7439

Serviced & Refurbished computers & other mobile devices.
Promoted to Tech Manager after 8 months, which largely in-
volved maintaining the Service Line by keeping our Technicians
on tasks within each of their skillsets, as we serviced every-
thing from tablets to servers.

Computer Lab IT & Front Desk • 2010 - 2014

Transylvania University • Lexington, KY 40508

Provided oversight and I.T. for the T.U. Library computer labs.
Submitted maintenance requests, repaired devices on-site, &
answered student questions about equipment.
